TO WHOM IT MAY CONCERN

I have had the pleasure of knowing Dorian Glass during the past 15 years in both a social and business environment.

Dorian is the consummate professional who, throughout his career, has performed at the highest level in delivering world class business solutions whether in a Corporate environment or to clients in his individual capacity.

Dorian has carried out his work with diligence, attention to detail, meticulous planning and due to his high level of business acumen, he brings a thorough understanding of both macro and micro environmental challenges.

I have found Dorian to be completely honest in all facets of his life and this integrity has enabled him to pursue a very successful entrepreneurial business.

I have no hesitation in recommending Dorian for any business venture where honesty, integrity and business acumen are key drivers .

Please do not hesitate to contact me should you have any queries.

Yours Sincerely

TREVOR ORMEROD
